KATHIRVALE SHOWS HOW TO CONTROL A DIFFICULT GAME

By LMY

Rangers 3 ..... SIA 0

THE brightest star in last night's senior division league soccer between star-studded Selangor Rangers and courageous but unskilful Selangor Indian Association was referee S. Kathirvale, who:

- Ordered a state player out for rough play.
- Took down the name of an international player for attempting to show fight,
- Warned a few others for infringements,
- Ignored a linesman's signals and applied the advantage rule most effectively.

ROSLAN BUANG, captain of last year's junior international team and Selangor's left half, was sacked seconds before the end for consistently bringing down opponents.

Lucky

SEXTON LOURDES, Malaya and Selangor's goalkeeper for the past six years, who tried to punch an opponent early in the game was extremely lucky to have been allowed to carry on with the game.

If Lourdes had received similar treatment as teammate Roslan referee Kathirvale would have earned full marks.

But still he did the job well enough to earn the kudos of everyone who wanted ungentlemenly conduct and rough play wiped off from our sports field.

A small man who could make his flyweight to better use as a jockey Kathirvale never hesitated to go up to a man twice his size and tell him off.

Malayan soccer would be better off with more referees of Kathirvale's calibre.

The game was not as rough as it appeared to be. With the exception of those who had already been dealt with the others played cleanly.

Rangers, champions for the past two seasons, encountered rough weather in the first half but enjoyed plain sailing in the second.

SIA put everything into the game from the start and were more in the picture. But unfortunately their forwards failed to click and did not know how to shoot.

Despite the shortcoming SIA tried their hardest to break through and in their attempts forced six corners as compared with Rangers' three.

Grounder

SIA came closest to scoring in the last two minutes of the first half when Jeffrey Mourin's goalworthy shots were pushed out in the nick of time by Lourdes.

The pace told on SIA in the second session and when Stanley Gabrielle, who was playing better than ever before, scored in the 50th minute with a well placed grounder the Indians looked a well beaten team.

Then two mistakes by goalkeeper Daniel who otherwise had an excellent game sealed SIA's fate. Daniel allowed Ghani and Suleiman's lobs to slip through.

Rangers: Lourdes; Ashari, Lim Heng Chow; Sabapathy, Nagaretnam, Roslan Buang; Suleiman, Ghani, Arthur Koh, Stanley Grabrielle and Ghulam Ahmad.

SIA: Daniel; Kader Ali, Clement Soosay; Aroklasamy, Namasivayam, Chandran; Munusamy, Iruthayaraj, Varatharaj, Jeffrey Mourin and Thangavelu.

EIGHTY-TWO-year-old S. Kathirvale had reasons to be elated when he was inducted into the Olympic Council of Malaysia (OCM) - Hall of Fame at the Coca-Cola Olympian of the Year ceremony in Kuala Lumpur recently.

Kathirvale, a former FIFA referee and FIH umpire, said he was pleased to be on stage with some of the top officials and athletes in Malaysia.

"I started being involved as a match official, in both hockey and football, when I was 28. It was very challenging then and there were days when abuses were hurled at me. But today, the OCM had made me proud with this honour," said Kathirvale.

Besides Kathirvale, the OCM also honoured Datuk Khalid Yunus, Datuk W.Y. Chin, Datuk Seri Kee Yong Wee, S. Jahendran, Datuk Thomas Lee, Marina Chin and Karu Selvaratnam.

Khalid, Chin, Yong Wee and Jahendran had served in the OCM. Khalid and Chin were vice-presidents while Yong Wee and Jahendran were treasurer and assistant treasurer respectively. Former athletes — Marina Chin and Karu Selvaratnam — also made it to the Hall of Fame.

Marina, now the principal of the Bukit Jalil Sports School (BJSS), won three gold medals in the 1977 and 1979 SEAP Games. She was also named as the Sportswoman of the Year in 1976 and 1977. Karu has the honour of having represented Malaysia in athletics and cricket.

Former greats: Kathirvale (fourth from left) with the others inducted into the OCM- Hall of Fame and OCM president Tunku Tan Sri Imran Tuanku Ja'afar (left) and Danyal.

BJSS netball coach Choo Kon Lee was presented with the International Olympic Committee (IOC) Women and Sports Diploma.
